

LICC MEETING MINUTES

Combined meeting for the Central Susquehanna Valley (CSV) and Northumberland County Local Interagency Coordinating Council (LICC) May 2, 2018

Those present at today's meeting: Danielle Zeigler, CSIU; Bea Prosseda, Child Care Consultants/MSRK; Diane Roman, Northumberland EI; Dr. Nandini Sengupta – The ARC of PA – Include Me; Roma Greenley, PA Keys; Susan Bolig, Parent to Parent of PA; Laura Adams, CSIU; Pam Ianiero, Danville Head Start; Jennifer Billig, parent; Terri Locke, CSIU; Jamie Bartlett, SUM CD; Robert Roush, The ARC; and Becky Laubach, CMSU EI

Jennifer Billig presented information on cortical visual impairment - causes, how it's diagnosed, what assessments are available and a listing of resources. The information is attached to these minutes. Jen shared that there is a national movement to increase awareness of this diagnosis, as it is a brain processing issue, not an ocular issue. Often times, children do not receive the correct assistance as it is treated as an ocular issue. Jen is available to do presentations. She can be contacted at jbillig2@gmail.com or by calling 717-887-6609.

The calendar information is being given to Klein Artworks May 3, 2018.

The group developed 2018-2019 meeting dates; these are listed below.

The group discussed the 2018-2019 work plan and updated several activities. Updates include calendar distribution; working on development of a short survey to be completed 3 months into service delivery that can help the EI programs determine additional family needs; using Head Start community assessment information to further identify any additional needs for the group and coaching. The work plan will be reviewed again at the July meeting and developed further, if need be.
