

# Let your voice be heard!

## Join a Parent Advisory Meeting!

Community Care is a nonprofit managed care organization. We oversee behavioral health care services and programs. Our belief is that behavioral health recovery is possible and that all individuals should have a voice in their treatment.

### Purpose of Parent Advisory Meetings

- Improve mental health and substance use disorder services.
- Assist in development of helpful new programs and services for children and adolescents.
- Ask questions, share information, and make recommendations.

### Who can attend?

- Parent or family member (biological, adoptive, foster, guardian, grandparent) of a child or adolescent who is a current Community Care member

### Compensation for Participation

- \$40 for attending the entire meeting. **Please bring your WePay card to all meetings.** *If this is your first meeting, a WePay card will be issued to you.*
- Compensation for attendance is provided only to parents/family members of individuals who are current recipients of Medicaid through Pennsylvania's HealthChoices program.
- Parents and family members are welcome; however, no more than two parent/family members will be compensated for attending any parent/family advisory meeting.
