

# Pennsylvania's **RIGHT to EDUCATION** Task Force

**CSIU**  
Central Susquehanna  
Intermediate Unit

## The Task Force... What We Do

- **Helps foster partnerships** and positive communication between families and schools
- **Responds to concerns** affecting the special needs community by:
  - Listening to concerns from all member groups
  - Offering information and resources
  - Working to find creative resolutions for families
  - Making parent-to-parent connections
- **Understands issues** such as:
  - Special Education process
  - Evaluation reports
  - Individualized Education Programs (IEPs)
  - Transition programs
- **Provides parent support** for families or for attendance at meetings when necessary
- **Provides information** and resources for issues relevant to students with special needs
- **Makes members available** for consultation with families or school districts on issues of concern

## The Local Right to Education Task Force holds meetings five times per year.

In addition to these meetings, the Task Force may also hold additional trainings for families and community members on issues affecting the special needs community and may also partner with other organizations that support families as well.
