

# **RESOURCE COORDINATION CASEWORKER**

## **County Caseworker 2**

The Resource Coordinator will be under the direct supervision of the MH Program Director and will provide Resource Coordination services to consumers with serious and persistent mental illness meeting the eligibility criteria for such service and voluntarily agreeing to participate in this program. These consumers will be enrolled in CMSU Base Service Unit and will reside within the four county catchment area.

This position requires knowledge of both normal and abnormal human behavior and development, diagnostic and assessment skills, and the ability to effectively interact with consumers and other professionals in the community setting.

Additionally, both oral and written communication skills including clinical terminology is essential.

A Resource Coordinator is expected to exercise good judgment in the performance of all duties.

**POSITION(S) WILL BE POSTED ON THE PENNSYLVANIA STATE CIVIL SERVICE WEBSITE.  
FOR APPLICATION:**

This posting will be available for application between the following dates:

**COUNTY CASEWORKER 2**  
**March 22, 2019 – April 4, 2019**
