

Need a ride to Work?

Here's a Way to Find One

RIDESHARE (Ridematching)

- RideShare is a web-based ride-matching program for long distance commuters
- Participants self-register and edit their own profiles to create the best possible matches for a carpool
- Access to match lists is instant and available around the clock.

Sign up today at <http://rideshare.nextinsight.com>
to start saving money, time and the environment!

1. Click on the Montour County Transit logo.
2. Enter your information for commuting
3. The database will grow and the software will start matching riders
